SEPTEMBER 2013

4th GENERATION MILESTONE

Following on from the Muter family with 3rd generation members, Hayden and Grace. This season saw little Finn stay at the lodge. He is 4th generation of the Torgersen family. Great Grand nephew of our patron Johan Bonnevie, grandchild of John and Sachi Torgersen and son of Kari. He enjoyed playing in the giant frozen sandpit and took the ride up, in the rain in mum, Kari's backpack, with calm interest.

CLUB RACE WEEKEND

14 & 15 September Slalom race course on Saturday enjoyed by those who raced, with the Muter family taking a clean sweep on the Senior Mens and Ladies cups and junior boys and girls cups. The course, in cloudy conditions just below the Knoll Ridge cafe, included a bit of a jump off the cat track which made it a bit more like a cross country course, but we all enjoyed it.

Saturday evening the themed dinner saw black & white costumes, tiaras, crowns & bow ties worn. Prizegiving with results and cups awarded, then the kids really enjoying their own competition trying to pop balloons by sitting on them. We had a lovely evening.

75 YEARS CELEBRATION at KAWHATAU OUTDOOR CENTRE 15, 16, 17 NOVEMBER
